### **District Referrals to Assertive Community Treatment Team (ACTT)**

1. Complete the Canadian Mental Health Association, Kenora Branch Agency Referral to the ACT Team.
2. Complete the ACT Team Referral Screening Tool.
3. Client must be voluntary.
4. The ACT Team psychiatrist through the Ontario Telemedicine Network (OTN) or with a face to face visit within the District community will support psychiatric medication for the client.
5. Client must have a community Case Manager to provide the intensive community support required. As per the ACT Standards the community Case Manager may be a bachelor's level and paraprofessional mental health worker who carries out rehabilitation and clinical support functions.
6. Access to OTN would be beneficial but is not required.
